

AEP40 Air Engraving Pen

Engrave Your Name onto Your Tools Easily and Permanently. You can easily Customize your tools by engraving your name or marking onto them in a way

The Air Engraving Pen is used to write on hard steel, metal, glass, stones, ceramic, plastic etc. also useful for debug-ging, to reshape the cut on the screwhead or broken bolts to ease removal , and naturally, to personalise tools and other equip-ment in the workshop. To obtain the best marking, hold the pen near the front at sharp angle.
